Life here struggle? Everyday work same slave?

Person wants day finish, waits for pay.

In bed I think, "When night end, I get up?" Restless all-night until dawn.

Days pass swift; have no hope. My life same wind.

Me feel happy again never.

Preaching gospel reason for me proud? No. Preaching my work; must! If I not-yet preach, I nothing.

If I, myself, want preach — have my reward, finished. But if God chooses me, must preach, my duty.

My reward-what? Happen I preach means offer gospel free, pay-me nothing. My rights? Doesn't matter. I not belong to one person. Instead I become like slave all people, why? Help save many-many people.

For weak people, I myself become weak, for help save them. I become equal all people, for help save some people. I act everything for gospel, why? Hope share Gospel blessings.
