Lord says: I will take small branch from top cedar tree.

I Myself will plant branch on high mountain, there Israel.

That branch grow, will...become tree with branches, make fruit...

Beautiful tree!

Many birds sit in tree and live in nests, will.

Then other trees will know:

-tall trees, I Lord, cause fall to ground;

-small trees, I cause grow, become tall, strong.

-green trees, I Lord, cause become dry;

-dry trees, I cause become green.

I, Lord, say will do something...happen true!

Reading from letter of St. Paul to Corinthians

We always have courage. Why? We know while we live this body we separate from Lord. True . . . We really want, what?? We live by faith, not by what we see. That's why I say: we always have confidence.

We really want, what? Leave this body and go home with Lord.

Have one goal: we try satisfy Him, no-matter here in our body, or there with Lord. Future, we all stand-before Christ. He judge our life, will . . . pay each person for things he did - good or bad. True...we live by faith, not by what we see.

The Word of the Lord.
