Brothers, sisters: Sin entered world—how??—through one man, name Adam. His sin spread death, why??—because all people ever-since sinned.

Before law, world had sin—yes. But if no law, people not guilty. Time-of Adam until Moses, all people had-to die...including people themselves not sin. Why??—Adam, his sin influenced all.

BUT, God His gift different! Adam—his sin—gives all people death. But God—His grace—gives all people Life! How?? Jesus Christ saves ALL.

Adam sin caused judge, punish...but God forgive. Adam sin caused death succeed...but happen you accept grace, Christ forgive you. You live forever, will.

Adam disobeyed, caused all become sinners. Jesus obeyed, caused all people become holy.
