Christ Himself high priest of good things we have now. But Christ serves not in tent, same place priests served long-ago. Instead, Christ entered Most Holy Place. How??? With blood from animals?? No! With HIS blood, giving-us salvation forever.

Before, animal blood and ashes sprinkled on people helped them become pure again. Now blood of Christ causes us become pure. Christ offered Himself through Holy Spirit, that perfect sacrifice. His blood makes us pure; now we can worship Living God.

Now Christ brings-us new covenant from God. His death forgives sins ever-since first covenant; now all people called for receive promise eternal Life.
